Picture Saturday in Lawrence. The game is on at KU, the grill is going, and your friends are spread across a fenced backyard that has room to move, because this home sits on a double lot of about 0.35 acres at the end of a quiet cul-de-sac. No HOA. No one telling you what you can or can't do with your own yard.

Inside, the kitchen is ready for whatever you're cooking. Quartz countertops, an Arabesque porcelain tile backsplash, and fresh paint and cabinets set the stage. A stainless steel refrigerator (with a waterline for the icemaker), an oven, a microwave, and a dishwasher are all in place. Vinyl plank flooring, new light fixtures, and a new sink and faucet complete the look. Step out through the patio
